

4-H FOODS REVUE

**Thursday, March 21st
6:00 p.m.**

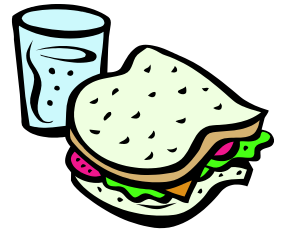

Peninsula Room (1st floor), Government Center

All members enrolled in the Foods & Nutrition and Exploring projects may enter the 4-H Foods Revue by preparing a food from your project category (listed below) and bringing a serving, for one, to be judged. The Foods Revue is a part of the Door County Fair, so ribbons will be awarded and you will receive your prize money after the Fair in August. Awards are: 1st - \$2.00; 2nd - \$1.75; 3rd - \$1.50; 4th - \$1.00.

Here is how it works:

- ✓ Complete the entry form below and mail, call or e-mail the information to the Extension Office.
- ✓ On **Thursday, March 21st**, bring one serving of the recipe/food you have prepared
 - You don't need to bring a beverage unless that is part of the recipe you have entered
- ✓ Bring a table setting for one
 - Bring only the dishes and silverware that are needed for eating your food ... a formal place setting is not necessarily expected.
- ✓ Bring a placemat (*a centerpiece is NOT required*)
- ✓ Bring a copy of your recipe (*recipe does not have to be from the 4-H project book*)
- ✓ Bring a menu for the meal or snack in which your favorite food is served.

Sample Menu: **SNACK**
Fruit & Cheese Kabobs & Orange Juice
