

PARS Backyard Apple School

Thursday, July 14th

4:00 – 6:00 P.M.

Peninsular Ag Research Station
(4312 WI-42 Sturgeon Bay, WI)

Open to the Public

Register at (920)743-5406

Join us this summer for a series of three classes to get you started growing apples in your own backyard. In each class we'll cover different topics including: tree establishment, pruning, pest management, and more!

In our first class we'll focus on the **Tree**:

- **Tree establishment**
 - What should you plant?
 - Where should you plant?
 - How should you plant it?
- **Tree training**
 - Getting your trees off on the right foot
 - Pruning to maintain tree health and productivity
 - Soil nutrition for Door County

Please contact the Research Station with any questions or to register in advance
(920)743-5406 or peninsular@cals.wisc.edu

Mark your calendars for future Backyard Apple Schools:

August 25: Pests

September 22: Fruit

Funding for Backyard Apple School provided by a Wisconsin SARE Mini-Grant

Requests for reasonable accommodations for disabilities or limitations should be made prior to the date of the program or activity for which it is needed. Please do so as early as possible prior to the program or activity so that proper arrangements can be made. In certain situations, information related to requests may be shared with staff or units necessary to help coordinate an appropriate accommodation.
