

PARS Backyard Apple School

Thursday, September 22nd

4:00 – 6:00 P.M.

Peninsular Ag Research Station
(4312 WI-42 Sturgeon Bay, WI)

Open to the Public

Register at (920)743-5406

Join us this summer for a series of three classes to help you grow apples in your own backyard. In each class we'll cover different topics including: tree establishment, pruning, pest management, and more!

In our last class we'll focus on the **Fruit**:

- **Cropload Management**
 - What is it?
 - Why is it important?
 - How to do it
- **Harvest**
 - When is your fruit ready to pick?
 - Should it all be picked at once?
- **Storage**
 - How to store fresh fruit
 - Ideas for fruit preservation

Please contact the Research Station with any questions or to register in advance
(920)743-5406 or peninsular@cals.wisc.edu

Funding for Backyard Apple School provided by a Wisconsin SARE Mini-Grant

Requests for reasonable accommodations for disabilities or limitations should be made prior to the date of the program or activity for which it is needed. Please do so as early as possible prior to the program or activity so that proper arrangements can be made. In certain situations, information related to requests may be shared with staff or units necessary to help coordinate an appropriate accommodation.
