### **New 4-H Family Enrollment**

We are so excited that you are joining us! If you have any questions along the way, please contact the Extension Door County Office!

1. Enrollment in 4-H is done through an online system called 4-H Online. Visit <http://wi.4honline.com/> to sign up. A detailed 4-H Online enrollment guide can be found on our website at: <https://door.extension.wisc.edu/joining-4-h/>.
2. Part of enrolling in 4-H is deciding which club to enroll in. You can find a list of clubs and leader contact information on our website: <https://door.extension.wisc.edu/joining-4-h/>. Families often choose a club based on location, meeting date/time, or knowing someone already in the Club. If you need help finding a club that is right for you, please contact the Extension Office.
3. See the below section on information for new and re-enrolling members for additional information
4. We know that starting something new can sometimes be confusing or overwhelming. Please do not hesitate to reach out with any questions!

## Information & Details for New and Re-Enrolling Members

1. **Dues:** Once you have submitted your online enrollment, make sure to pay your dues! Membership dues are \$3.50 per member or \$10.00 per family (with 3+ members). Dues can be paid to the Extension Office – check with your club leader to see how dues are handled in your club. Some Clubs choose to collect the dues and then pay the Extension Office.
  - Please note, if your family is facing hardship circumstances, financial assistance is available to pay dues. Please contact the Extension Door County Office at (920)746-2260 or your Club Leader.
2. **Enrollment Deadlines:** The following deadlines are the County deadlines when enrollments are due online.
  - Re-enrollments should be submitted before **November 30<sup>th</sup>** (especially those in animal projects), so you don't miss out on any important information! Clubs begin meeting in the Fall and cannot send information to families who are not enrolled.
  - Members can enroll at any time during the year, but **May 15<sup>th</sup>** is the deadline for enrollment in order to exhibit at the Door County Fair. Early enrollment is encouraged to receive the most benefit from the 4-H year.
3. **Projects:** Children in 5-year old kindergarten through second grade can only enroll in the Cloverbuds project. Once in 3<sup>rd</sup> grade, members can enroll in any of the projects (age appropriate) in 4-H Online. Youth may enroll in 4-H for one year after their graduation from high school.
  - To find the list of projects that are offered in Wisconsin 4-H, visit our Door County 4-H website: <https://door.extension.wisc.edu/joining-4-h/> and click on the 2024 Wisconsin 4-H Project Guide
  - We will not be providing project literature. If you are interested in purchasing project literature on your own, some resource literature can be found: <https://learningstore.extension.wisc.edu/> and <https://shop4-h.org/>.

## Leaders and Volunteers

1. If you would like to be a "Youth Leader" for a project, select the project and there's a drop-down box for indicating your volunteer role is a "Youth Leader."
2. All leaders need to enroll using the appropriate categories. For each project, there will be a "Leader (Ldr)" category.
3. New adult volunteers are not considered 4-H leaders until they have completed the required trainings and background screening. Information for volunteers can be found on our website: <https://door.extension.wisc.edu/joining-4-h/> and on the Wisconsin 4-H website: <https://4h.extension.wisc.edu/resources/volunteer-resources/training-for-volunteers/>.
4. Re-enrolling volunteers may also have trainings and screenings that are required. These will be listed in your 4-H Online account.
