Participation Agreement

I desire to participate voluntarily in education activities with the University of Wisconsin-Madison Division of Extension. I understand that I am being asked to read each of the following paragraphs carefully. I know, understand, and appreciate the risks that are inherent in the Strong Bodies programs and activities. I hereby assert that my participation is voluntary and that I knowingly assume all such risks. I understand that if I have questions about any of the terms contained in this agreement, I may contact the UW-Madison Division of Extension StrongBodies program (strongbodies@extension.wisc.edu).

Assumption of Risks

I understand that physical activity related to the StrongBodies Program, by its very nature, carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. Some of these involve strenuous exertions of strength using various muscle groups, some involve quick movement involving speed and change of direction, and others involve sustained physical activity, which places stress on the cardiovascular system, and exposure to infectious disease. The specific risks vary from one activity to another, but in each activity the risks range from: 1) minor injuries or illness such as scratches, bruises, and sprains to 2) major injuries such as fractures, internal injuries, joint or back injuries, heart attacks, concussions, and severe illness to 3) catastrophic injuries including paralysis and death. I understand that the University has advised me to seek the advice of my physician before participating in this activity. I understand that I have been advised to have health and accident insurance in effect and that no such coverage is provided for me by the University or the State of Wisconsin. I know, understand, and appreciate the risks that are inherent in the above-listed programs and activities. I hereby assert that my participation is voluntary and that I knowingly assume all such risks.

Video and Photo Consent for Use:

I recognize and acknowledge that the University of Wisconsin may record my participation and appearance on any recorded medium including, but not limited to video, audio, photos (collectively, "recordings") for use in any form (including, but not limited to print, websites, blogs, internet, and social media). I authorize such recording and release the University of Wisconsin to use my name, likeness, voice, and biographical material to exhibit or distribute such recordings in whole or in part without restrictions or limitations for any educational or promotional purpose.
